Discovering What's Next® invites you to join Dorian Mintzer and Roberta Taylor, authors of *"The Couples Retirement Puzzle: 10 Must-Have Conversations for Transitioning to the Second Half of Life"* for an opportunity to talk with other individuals and couples about the opportunities and challenges in retirement transition, Tuesday, June 21, 6:30pm – 9:00pm, Newton Cultural Center, 225 Nevada Street, Room #101, Newton. Individuals as well as couples are invited to address questions such as:

- Are you and your partner in agreement about the need to continue working?
- Have you talked about whether to stay put or relocate?
- Do you agree on your obligations to adult children and aging parents?
- Have you talked about how much time you want to spend together or exploring individual interests?

This interactive workshop will help guide you through the process of planning for *"what's next?"* whether you're just approaching retirement or well into transition. You'll come away with resources and tips for:

- Getting started
- How to bring up difficult issues
- How to engage in constructive conversations
- Setting Goals
- What to do if your partner isn't ready to talk about what's next.

Fee is \$25 per person. [Click here](#) to register.
